

Plant Nursery Yard Team Member/ Delivery Driver multiple positions available 7-18-2018

JB's Nursery division is growing fast! We are looking for a team member who knows their plants!!

We have a job for someone who likes to work with their hands. We move plant material, water plants, shape them up, display them, fertilize and take care of them. There are orders to pull and deliveries to load. We use tractors and reticulated loaders for larger plant material.

We are also looking for someone who can drive a box truck to take plant deliveries to jobsites as well as work with the yard crew in between deliveries.

We are willing to train in all areas for the candidate who is motivated.

Skills desired:

- Pacific Northwest landscape plant id knowledge and familiarity with botanical names.
- Knowledge of basic pruning.
- Able to work in the outdoors in all weather.
- Ability to communicate in detail with coworkers.
- Ability to transition easily between tasks.
- Ability to drive reticulated loaders or willingness to learn
- Familiar with irrigation or willingness to learn.
- Bilingual Spanish and English would be a plus!

For the delivery driver position, you need to have a clean driving record.
